

WHAT IS LOVE?

WORLD NEWS.

**Timeless, Sophisticated, and
Perpetually Contemporary.**

How do you put the greatest feeling
in the world into words?

And now I understand why poets,
artists, and writers have spent all
their lives trying to put this feeling
into words.

**THIS IS
TIMELESS,
REALLY
SOMETHING.**

“

**I'M MADE UP OF SO MANY THINGS THAT I LOVE,
AND YOU'RE THE ONE ON EARTH I LOVE THE MOST,**

LITTLE LOVE NOTES FOR YOU

*Over the sea,
The deep blue skies,
I fell in love with a heart
that's so pure.*

*Purple pink halos,
Story starts with a hello,
Love is beautiful,
I'm glad I get to learn it with
you.*

UNDER THE REVERIE

I let myself want you,
I let myself love,
And baby, that was the best mistake I made.

The earth is spinning,
The earth moves,
Come on, dance with me.
Dance with me.

*I pray that we last,
that you and I can be
the love story that sticks.
Because in the middle of
our laughter, teasing,
walks, drives and
conversation,
I catch glimpses of what
forever could look like
and I want it.*

It was magic I felt when I laid my eyes on you.
Remember when you pointed at a firework and all
the beautiful places you had ever been and you
ended the night with 'you're really beautiful too.'

THE END.

AUTHOR'S NOTE

I think love is really beautiful and capturing a little glimpse of my best friend's relationship was quite the honor. Such a beautiful story.

Picutres, notes, and poem by Kimanzi Shallom.

May love live on and on and on.
